Creating a Church for All People

November 29 – December 1, 2012

The **2012 Multicultural Conference** will provide thought-provoking cultural competency training for clergy and laity, enhancing their ability to serve as leaders within diverse churches and changing communities. Through a mixture of plenary sessions, workshops, powerful and inspiring worship services and motivating speakers, the participants will be empowered to embrace the principles learned at the conference and put them into action in their local churches and communities, thereby **"Creating a Church for All People."**
